The screenshot shows a mobile application interface for 'STUDIOGYM'. At the top, there are navigation icons (back, forward, search, etc.) and a URL bar showing 'gym.miratik.com'. The top right corner displays battery level (45%) and signal strength. The main header features 'PROGRAM 41' and 'EXERCISES'. On the right, there's a user profile for 'Jocelyn Goyer' with a notification badge '42' and language selection 'Eng'. Below the header, a green banner reads 'Intentse work on the buttocks and thighs' with a 'Save' button. To the right, there are links for 'MOBILE APPLICATION' and 'CREATE A PROGRAM'. The central content area displays a program titled 'NO MORE Belly Jelly LOOSING WEIGHT'. It includes three days of exercises: 'DAY 1', 'DAY 2', and 'DAY 3'. Each day has a numbered section (1, 2, 3) with an exercise image and text. For example, Day 1, Section 1, has an image of a person sitting and the text 'Cum autem commodis intervallata temporibus convivia longa et n copie'. Below the sections, there are 'Serie 10 | Répétition 15 à 20' and '1 Etirement' with four empty boxes. A red circle labeled '⑥' points to the right edge of the exercise section. To the right of the main content, there's an 'ADVERTISING' section featuring the Under Armour 'heatgear' logo and a woman in athletic gear.
